#### DESCRIPTION

The certificate **4.5% Europe/USA Bonus&Safety** offers you an annual fixed interest rate of 4.5%. At the end of the term, redemption is effected at 100% provided that both underlyings always quoted above the barrier of 39% of their respective starting value during the term. In the event of a barrier violation during the term by at least one of the underlyings, investors are exposed to full market risk; this means a substantial capital loss is possible.
